Gratitude is expressing thanks and appreciation for the people, places and things in my life.

The Buffalo Bills Alumni Foundation, Inc. was founded in 1998 and is comprised of past Bills players who have left an imprint on society during their football careers and want to continue molding society in a positive manner. Not only have they changed the game, but they have touched and shaped Buffalo as we know it today. The Bills Alumni Foundation has given over \$2.5 million to local Western New York charities over the past 20 years.
