

# RESPONSIBILITY

## VS. IRRESPONSIBILITY

Responsibility is knowing and doing what is necessary to meet my obligations.

“Responsibility, to me, is embracing your role in society and dedicating yourself to your fellow citizens in order to make your community, and by extension, the world a better place to live. Never has this been more evident than during this pandemic. Frontline workers and first responders have exemplified bravery by accepting the responsibility of caring for the most vulnerable among us.”
