

# GENEROSITY VS. SELFISHNESS

Generosity is giving  
freely of my time,  
talents and possessions  
without expecting anything in return.

The **Depew Little Free Pantry** started as a box in front  
of a house and became so much more.

Through the **Generosity** of the founder  
and the community, the pantry is  
available 24/7 to anyone in need  
providing food, household goods,  
school supplies, and even clothing.

A true example of changing  
lives through **Generosity**.
