

# HUMILITY

## VS. ARROGANCE

Humility is limiting my feelings of self-importance and recognizing that everyone has strengths and limitations.

**West Herr Automotive Group** has *Humility* at its roots. The Character Council of WNY sees them as a shining example of an organization with a focus on being servant leaders in our community.

Having an astute awareness of what is happening in our community, when they see a need they rise to fill it, time after time.
